

STEWARDS MINISTRIES
SCHOLARSHIP APPLICATION
 WILLIAM K. COYLE, JR. GRADUATE SCHOLARSHIP

SCHOLARSHIP INFORMATION

Stewards Ministries offers a limited number of graduate scholarships. Potential scholarship recipients will be: A full-time assembly commended worker or a full-time staff member at a local assembly or an assembly-related ministry or a graduate student in good standing in an assembly, and is enrolled full-time in a graduate program in theology, or a discipline related to their field of ministry. The intent of this scholarship is to assist those who intend to serve in an assembly, an assembly-related ministry, or on the mission field for at least two years following completion of their studies. A scholarship recipient will be required to affirmatively state his or her intention to comply with these requirements and acknowledge an obligation to repay scholarship funds in the event such a commitment is not completed. The Elders of a scholarship recipient's assembly will be required to provide oversight and mentoring during the academic award year. The award of a graduate scholarship will be under the absolute discretion of the scholarship committee. Matters such as prior academic success, selected academic institution, intended graduate degree program, nature and duration of current assembly ministry, nature of intended post-graduate ministry, and willingness of assembly oversight to provide academic year mentoring will be considered in the awarding of scholarships. Scholarship recipients may receive up to \$2,000 to be used for books and tuition. The funds will be distributed through the recipient's assembly.
